I’d like to thank the staff for their efforts in putting today’s assembly together. Particularly Mr Gardiner, in his role as relieving Assistant Principal he met the challenge of putting together such a formal assembly so successfully early in the year.
I spoke to the assembly today about leadership and I asked the students being inducted to consider what type of leader they want to be remembered as. Do they want to be remembered for their actions? I hope they think about this as they perform the roles they have been elected into for 2015.

“Leadership is about making others better as a result of your presence and making sure that impact lasts into your absence.”

Stay safe and enjoy your week.

Joggers Club

Joggers Club is a fitness activity run for any Thirlmere student wishing to participate from Kindergarten to Year 6. Last year was very successful with a group of very keen K-2 students outdistancing the older students. Students wishing to jog meet on playground C anytime from 8.30 am on the nominated days and run (walk) laps around a set circuit. Each lap is counted and when they achieve a set target (the first is 10km) they receive a Joggers Club certificate. This year I will start the program up in week 4. At the moment it will be definitely running on a Tuesday. I will confirm the second day next week.

Primary Ethics news
Welcome back to the 2015 school year and a special welcome to all the new comers to our school. Primary Ethics classes will commence on the 25th of February for stages 1 and 3. The Primary Ethics curriculum is divided into stages, corresponding with school stages as follows:
- Early Stage 1 - Kindergarten
- Stage 1 - Years 1 and 2
- Stage 2 - Years 3 and 4
- Stage 3 - Years 5 and 6

What is Primary Ethics?
Primary Ethics provides the opportunity for public primary school students who don't attend scripture classes (SRE) to participate in philosophical ethics classes. The classes teach children how to approach ethical issues and develop their capacity for considered moral judgment, which will enable them to respond more thoughtfully to many of the problems and issues they will face in their lives.
Our K-6 curriculum has 78 topics, starting with questions and puzzlement, introducing children to the foundation of ethical thinking. Children in the younger primary years examine issues such as being left out, sharing and bullying, while older children reflect on issues such as homelessness, fairness and teasing to help them consider the feelings and interests of others – one important aspect of moral reasoning. Other aspects include understanding consequences, having empathy and appreciating difference.

We would like to offer classes to all the kids that expressed interest in Ethics but we can only do this if we get more teachers! Volunteer Ethics Teachers are trained to deliver our age-appropriate curriculum every week and to use the accompanying learning and teaching materials. I would welcome your enquiry to volunteer and I'm more than happy to answer any questions you might have, so feel free to contact me at louisejshanahan@yahoo.com.au.

Louise Shanahan (Ethics Coordinator)

Water Play Day
On Wednesday 18th February Kindergarten, Year 1 and 7 year old students from Year 2 will participate in a fun water play day at school. They will be involved in games and activities with water and be learning about safety around water. Further information will be provided in a separate note to go home next week.

Our first Scholastic Book Club brochures have arrived for the year and they look a bit different.

Each stage receives their own booklet, with all the brochures included.

If you would like to receive different brochures these can be picked up from the library or viewed online at [www.scholastic.com.au/schools/bookclub](http://www.scholastic.com.au/schools/bookclub).

By purchasing books through Book Club we are encouraging reading and earning points for Thirlmere Public School - which benefits our library!

If you are interested in purchasing something from Book Club please return forms and money to the Office by Monday 16 February.

Please return Book Club orders by Monday 16 February
SCHOOL FINANCE & OFFICE NEWS

Band News
This Term we have an 8 week program. The cost is $120. Payments can be made weekly or in full, but must be completed before Monday 30\textsuperscript{th} March (Week 10). Invoices will be sent home next week.

Youth Banking
