Relieving Principal’s Message

Respect

Our school motto is “Show Respect”. Respect is defined as: due regard for the feelings, wishes or rights of others.

I am disappointed to say that over the past week there have been far too many incidents where respect has not been shown; towards staff in particular. I am referring to the manner students have been addressing staff. Foul language, defiance, rude gestures and completely ignoring instructions have been some of the behaviours staff have been faced with and it is completely unacceptable.

The school welfare policy refers to behaviour at each negative level as being inappropriate, unsatisfactory, very unsatisfactory and unable to be tolerated. The behaviours that are listed above will not be tolerated. I will enforce behaviour consequences for such behaviour and as parents you will be notified if your child is involved.

The school welfare policy also states that students have a right to be treated fairly by both students and teachers but it is their responsibility to treat others with respect, both students and teachers alike and not demean or degrade them in any way.

I am seeking your assistance as parents to reinforce these expectations of student behaviour and work with the school in promoting Thirlmere as a respectful environment where teachers can focus on challenging, inspiring and motivating student learning.

Camden Show

One of my favourite times of year is just around the corner. The students in Stage 1 2014 had an amazing day at the Camden Show where free entry for school students is possible and the only cost is bus fare. Notes went home for this last week and I would encourage all students to take the opportunity to participate in this event. Another good reason to aim for positive behaviour levels!

Stay safe and enjoy your week.

**Scripture and Ethics**

We are in the process of setting up special religious education and special ethics classes for 2015. Classes will be offered in the following areas:

- Catholic: each year level Kindergarten to Year 6
- Protestant: each year level Kindergarten to Year 6
- Ethics: Stage 1 (years 1 and 2) and Stage 3 (years 5 and 6)
- Jehovah’s Witness – each grade as indicated by parents

Students that do not participate in one of the above classes will be supervised in Non Scripture where no formal instructions or teaching will occur. The Non Scripture groups are for K-2 and 3-6. At this point in time both groups are quite large. Whilst your right as parents to choose not to participate is respected, I encourage families to consider selecting one of the above groups. Parents wishing to change the preference indicated on enrolment should contact the school office.

**New Leave Procedures 2015**

I would like to thank the many families that have followed these new procedures and have submitted an application for leave with the appropriate travel documents. Please remember from the beginning of 2015, family holidays and travel are no longer considered under the Exemption from School Procedures. Travel taken during the school term is now counted as an absence for statistical purposes. If you wish to take a holiday during the school term please complete an application for extended leave. These can be collected from the school office or downloaded from our website. Travel needs to be considered to be in the best interests of the student. Educational, social and participation reasons, should be specified on the application. Travel is considered to be domestic or international travel for the purpose of a family holiday, family business, bereavement or other reasons, which should be specified on the application. I must impress that it is vital for relevant travel documents to be attached to your application. If travel is within Australia an itinerary needs to be included. Once the application has been approved you will be issued with a Certificate of Extended leave.

**Rugby League 2015**

Mrs Tann, Mr Gardiner and Mr Hunt are working hard to get Rugby league up and running for this year. In order to ensure expectations are clear and standards are set we will be holding a parent information session on Tuesday 3rd March at 4pm in 5/6T. At this meeting team structures, dates, uniform requirements and behaviour expectations will all be outlined. There will also be the opportunity for parents to ask questions. Please make it a priority to attend this session.
