Can you believe that we are officially into the second half of the term? As we enter week 6 I look back at what a busy start to the year we’ve had (when don’t we?) and what we have managed to achieve so far. **Teachers** are working tirelessly on programming and developing new scope and sequences that incorporate the National Curriculum, assessing and establishing class routines to cater for student abilities and organising a broad range of extra-curricular activities including dance, choir, band, rugby league, gymnastics and swimming. The **administrative ladies** in the office are organising the school from an EBS4 perspective whilst ensuring every student’s money is receipted, and trust me when I say at the moment, there are many things requiring payment. **Students** have spent time reflecting on their learning and establishing learning goals for themselves. These are on display in the school foyer and I would encourage you to talk to your child about their goal and relating them to what I know of your children. It is interesting to see how insightful children are in determining their strengths and areas requiring development. **Parents** have been supporting their students transition to a new grade and also manning the canteen and uniform shop, cheering at swimming carnivals and the water play day, transporting children to numerous zone sport trials whilst keeping in touch with the many activities occurring at school. Please spread the word about our school App and Facebook page. As a school we are committed to communicating with our community in as many ways as possible.

As we race towards the end of term I’d like to leave you with this thought from one of my favourite characters:

> How did it get so late so soon?  
> It’s night before it’s afternoon.  
> December is here before its’ June.  
> My goodness how the time has flown.  
> How did it get so late so soon?

*Dr Seuss*

Stay safe and enjoy your week.

Selena Gandy
Director Visit
This Friday we will again welcome Mrs Margaret Turner Director Public School NSW to the school to discuss with me our programs and plans for Thirlmere in 2015 and to spend some times in classrooms visiting the “little people” that make our school the great place that it is.

Steam Festival
A big thank you to the staff, students and parents that came on Sunday to support our school involvement in the Steam festival. From Devonshire teas to marching in the parade you made a difference.

Swimming
In the past two weeks we have had our school swimming carnival and the Zone Swimming Carnival. I’d like to congratulate all students that got in the water and had a go. At the school carnival the behaviour of almost everyone was excellent. You also did a superb job of packing up and cleaning our area before we left. Individual student results will appear in next week’s newsletter.

At the Zone carnival Thirlmere students were wonderful ambassadors for our school. I’d like to particularly congratulate Ashden in year 2 who will be our only swimmer at the Regional carnival. This is an outstanding achievement for him as it was his first ever school carnival.

Camden Show
One of my favourite times of year is now even closer!! The students in Stage 1 2014 had an amazing day at the Camden Show where free entry for school students is possible and the only cost is bus fare. Notes went home for this last week and I would encourage all students to take the opportunity to participate in this event. Another good reason to aim for positive behaviour levels!

Rugby League 2015
Congratulations to those students who have been selected as a member of either the junior boys, senior boys or all age girls squad. Thank you to those parents who attended the information session on Tuesday afternoon in 5/6T. At this session a question was raised regarding insurance. As we will be participating in events run by two different organisations CRL and PSSA I will follow up with both organisations and provide further details.

I did have a discussion with Scott Borg CRL Development Officer and he confirmed for me that the aim of school competitions is to promote maximum participation for all students not just those players registered with a weekend club.

Canberra Excursion
A friendly reminder that payment for the two night excursion to Canberra from 24th to 26th March is due NOW. Thank you to those who have been making regular payments over the last few weeks. All payments must be finalised on or before Thursday 5th March 2015

More information regarding this excursion will be coming home soon.

Please note that the reply date for this excursion is now closed and no additional students will be able to attend.

Thank you
The stage 3 Teachers
Mrs Tann, Mr Gardner, Mr Jackson and Miss Foreman
