Relieving Principal’s Message

Each week as I update the calendar I am reminded of how very busy the school is and how many opportunities our students have to be a part of. I do understand that many of these come with an associated cost. I would like to take the opportunity to say to parents who may experience financial concerns every now and then to make sure you come and approach us. I have always told the students I teach that I’d hate for them to miss an opportunity to attend an event because of money. We can always negotiate arrangements and put into place payment plans to support all students.

Funky Hair Day

Our courageous Grace will take the plunge, or more correctly the chop, this Thursday at 3:30pm at Blooms Hairdressers. I would urge you as community members to support her in sending a gold coin to school with your child on Thursday. The day will bring a good many laughs as our students bring out the best of wigs, colour and gel to wear the craziest do on the day. However, it’s also an opportune time to reflect that this day holds a special meaning for our community. As we support Grace and the foundation we are showing our support for a member of our school community and her family who we are holding in our hearts as she undergoes her treatment.

Chook Chat

On a more light hearted note I can officially announce that the chickens have been allocated to stages and staff will be working with their students to name their respective chicken and provide opportunities to become aware of their habits and environment.

Brown – Early Stage 1
White – Stage 1
Red – Stage 2
Black – Stage 3

It’s great to see the enthusiasm that both staff and students have embraced this project with. From the initial design and build of Mr Jackson and his workers, to the gardeners and Mrs Budd incorporating it into the garden to Mrs France allowing me to budget some money to spend on the girls, there really has been a whole school approach.

*Coming together is a beginning;*  
*Keeping together is progress;*  
*Working together is success.*  

*Henry Ford*

That’s what our school environment is all about. Stay safe and enjoy your week.

Rugby League
Hindmarsh Noble – To date we have had a disappointing response to the permission note and requested payment that is due next Tuesday. At the information session it was explained that all students who were playing in this event were required to pay the $17 to cover the coach travel. If we do not get the numbers required to field our teams and these students pay the $17 to cover the coach we will not be participating in this event.

Camden Show
There’s only 9 more sleeps to the Camden Show. We have had an outstanding response with 330 students paying to go to the show. Thank you to the parents who have expressed an interest to assist as a parent helper. I will send home notes this week to all concerned. A few reminders about the day:

- Students are to wear full sports uniform with comfortable walking shoes. This includes a school hat.
- All students need to bring recess, lunch and a drink.
- There will not be an opportunity for students to purchase any items or go on any rides.
- Buses depart promptly at 9am so students who are late to school may miss the bus.
- Buses will return in time for the afternoon bell and school buses.
- Students may be prevented from attending the event as a result of poor behaviour as indicated in the schools behaviour policy.

Library Carpet
Ms Gutjahr has been without a home for the past two days as the library carpet receives a welcome upgrade as part of our maintenance program. You may also notice the square patches where trees were removed from playground A. These have now been concreted to assist with trip hazards.

Parent Teacher Interviews
This evening is scheduled for Monday 30 March. This is an opportunity for all parents to arrange an interview time to meet with your child’s class teacher to discuss their academic progress. Keep an eye out for a note regarding this in the next week.

Attendance
The staff are working closely with the Home School Liaison Officer to monitor attendance. Mr Peter Kencalo has a long history of working with students in this area and resolving issues with getting children to school. He noted that if a student is absent 8 days per school term for only their primary schooling years they have missed the equivalent of one year of education. Please keep this in mind as absences quickly add up.

Year 6 Fundraising
The inaugural year 6 milkshake day was well supported by our entire school community. The students, along with Mrs Tann and some very keen parent helpers ran a well organised and enthusiastic stall. Thank you for supporting their first fundraising event for the year. The disco is next week and is always an eventful evening in the schools calendar. Please continue your support of the year 6 events as they work together to achieve their goals for this year. Remember, eventually every child will be in year 6!

**Year 6 Fundraising – Milkshake Day**

Thanks for a great ‘Milkshake Day’!

Tuesday 10th March saw our first ‘Yr 6 Fundraising’ event in the form of a milkshake day. The event was a success and got our fundraising off to a very healthy start for the year. The year 6 helpers had a great day operating the ‘flavour stations’ and handing out orders. I congratulate all the students on their great behaviour and positive attitude towards our first fundraising event and look forward to more successful events in the future. A huge thanks to Country Valley for their donation of the ‘Milkshake Kit’ which included toppings, 2 milkshake makers and most of the milk used during the day. Thanks also to the Tzortzis and Facey families who donated supplies also. A big thanks to parent helpers Amy White, Tracy Boon, Amanda Lee, Monique Liddle, and Mrs Fishpool for all their amazing effort during our milkshake day. The amazing support from the school community is greatly appreciated.

**Band News**
Invoices have been sent home for Band.
This Term we have an 8 week program. The cost is $120. Payments can be made weekly or in full, but must be completed **before Monday 30th March** (Week 10). Instrument hire for this year is **$120** and this payment is also due before **Monday 30\(^{th}\) March 2015**.

**Payments**
We understand that from time to time, with so many exciting things happening at school, some families may find it difficult to make payment deadlines. To relieve the stress of making a large lump sum payment, it is possible to make payments in advance, a bit like a layby. Families can pay a small amount each week in order to make budgeting a bit easier. If you think this might helpful to you, the Admin Staff would be very happy to assist you.
