Relieving Principal’s Message

What a fantastic time we had last Friday at the Show. I was proud to say I was the Relieving Principal of Thirlmere; not only when they announced our Scarecrow prizes (6 scarecrows and 6 awards) but also just in the general behaviour and manners of our students. Organising to take over 330 students and 50 adults was a rather large task but everybody worked together on the day and made it a huge success. Thank you also to the parents that helped us on the day!

As this term rapidly draws to a close I would like to encourage all members of our community to support the three remaining events we have left. Parent teacher interviews are an important time to meet with your child’s teacher to get an accurate picture of how they are working not only academically but socially as well. Teachers will be able to discuss your child’s behaviour and their individual goals. Wednesday is one of the biggest days in our calendar where we welcome Grandfriends to our school. Year 6 will be hosting our annual sausage sizzle. All funds raised from this event go towards sponsoring our family in Ethiopia. This is a great way to teach our children that they are part of a bigger world and whilst sometimes we deal with things that are a little difficult, there are people suffering on a greater scale and we have a responsibility as global citizens to help. You also get a great sausage sandwich for lunch!! Finally, Sunday our dedicated P & C will be hosting lunch for the Car Rally as it passes through town. Please get on board and support this worthy cause as they work tirelessly to support our school programs. I know as a working mum it’s often hard to get to school and lend a hand but Lea Blatch and her team are keen to accept any and all offers of support.

“A little spark of kindness can put a colossal burst of sunshine into someone’s day”.

Facebook & Skoolbag App

It is pleasing to see how many families are engaging with our school through these electronic mediums. As a school we love the opportunity to share with you events as they occur and photos particularly of excursions or camps. I would like to point out though that our priority still remains the education of your children and as such there may be some delay in posting information to these sites but we will do it as promptly as we can.

Canberra

As I write this newsletter and as you read it 77 of our Stage 3 students and 4 staff members are visiting our nation’s capital. I have spoken to the staff involved and all reports to date are that the students are having a wonderful time, enjoying the sites of Canberra and after a big first day they all needed to be woken early this morning. They are expected back at school Thursday evening but an exact time won’t be known until we see what time they leave Canberra. Please keep an eye on Facebook and Skoolbag for updates rather than ringing the office.

Parent Teacher Interviews

This evening is scheduled for Monday 30 March. (6G will be Tuesday 31st March) This is an opportunity for all parents to arrange an interview time to meet with your child’s class teacher to discuss their academic progress. This year we are implementing a new system for booking your interview time online. Interviews opened Thursday 19 March at 9am.

Go to www.schoolinterviews.com.au. The school code for making a booking is SVP4S. When you click FINISH, your interview timetable will be emailed to you automatically. If you do not receive your email immediately – Check your junk mail folder AND make sure you have spelled your email address correctly. You can return to www.schoolinterviews.com.au at any time, and change your interviews - until the bookings close on 30 March at 11am (Tuesday 31 March at 11am for 6G). For parents that do not have internet access a computer kiosk will be available in the Library from 8:30am until 8:55am Monday, Wednesday and Friday mornings and after school from 3:00pm until 3:30pm Monday, Tuesday, Thursday and Friday. Parents may also phone the school on 0246818476. Interviews are strictly 10 minutes. If you require more time, please contact your teacher directly to make alternative arrangements.

Rugby League

A big congratulations to our Rugby League players who attended their first carnival at Robertson last Thursday. Unfortunately the day wasn’t without injury but by all accounts the players were a credit to our school. Special mention to the Junior Team who came away champions on the day!

School Plan

We are in the process of finalising our 2015-2017 School Plan and I spoke with the P & C last Tuesday evening about our Strategic Directions. After consultation with the staff, executive and Brad Mitchell Principal, School Leadership-High Performance we have modified our third direction to read “Effectively engaging with our school community”. This allows us a broader umbrella under which we will address issues including administration, communication and parent engagement. The finalised plan will be on the school website by the start of Term 2 and I will be presenting it at our first P & C meeting in Term 2–Tuesday 19th May.
Year 7 2015
Completed Expression of Interest Forms Year 7 2016 were distributed earlier this year and were due back to school last Friday. Please return these to school by no later than next Monday. We are required to send these to the high schools before the end of term.

Jollybops

On Thursday 30th April, the Jollybops Science Shows are coming to Thirlmere to present science shows for all students in K-6. Each show aims to bring science alive through exciting, stimulating and interactive science demonstrations. The shows will increase the children’s knowledge and understanding of scientific principles and understanding. They are presented in a fun way, by the shows characters of Rusty The Robot, The Jolly Professor and The Jolly Wizard. These shows have consistently been awarded the prestigious “Frater” award for a top ten touring act in NSW as voted by teachers and should not be missed.

The cost of the show is $6.00 per student and money needs to be in no later than the 23rd April. A note has gone home this week.

Thank you, Mrs Karolis

**Band News**

Invoices have been sent home for Band. This Term we have an 8 week program. The cost is $120. Payments can be made weekly or in full, but must be completed by **next Monday 30th March** (Week 10). Instrument hire for this year is **$120** and this payment is also due before **Monday 30th March 2015**.

If payment is not received by this date, then students will **not be able to attend lessons until their account is up to date as the Tutor requires payment.**

**Payments**

We understand that from time to time, with so many exciting things happening at school, some families may find it difficult to make payment deadlines. To relieve the stress of making a large lump sum payment, it is possible to make payments in advance, a bit like a layby. Families can pay a small amount each week in order to make budgeting a bit easier. If you think this might be helpful to you, the Admin Staff would be very happy to assist.

Thank you
