Relieving Principal’s Message

Well what a week we have had at Thirlmere. Jack Sparrow met Captain Feathersword on Monday as we donned our daggers and shared our treasure to support a young boy living with brain cancer. As a school we raised $338.70 and this is a great achievement.

During Pirate Day on Monday I heard the slogan “Words are my weapon” from our talented librarian and I know Tsehay in 4B took this to heart as she did our school proud by winning the Stage 2 local final of the Multicultural Public Speaking Competition. She will now progress to the next stage of the competition. Congratulations also to Jimmy, Kurtis and Amy who also represented our school with pride.

It is great to see the vast array of talent we have at Thirlmere, not only on the sporting field or as part of a performing arts group but also through the curriculum in areas such as Public Speaking.

“Every child is gifted. They just unwrap their packages at different times.”

Have a great week.

Goal Guru Morning Tea

Tuesday 23 June I will be hosting a celebration of success at Thirlmere for students who have been working hard to achieve their personal goals in Semester 1. Each class teacher has nominated 5 students - Goal Gurus. These 5 students have received invitations from me to attend morning tea in the hall. We will celebrate what they have achieved and what they may now strive for as we enter semester 2.

Rugby League

The senior team played their round 3 game at Kirkham against Camden South Public School in the misty conditions on Tuesday morning. The boys came away with a win and will now progress to round 4. Well done to all involved.
Staff Professional Development
At the conclusion of the 2015 school year staff finish with two days of professional learning and development. This year these dates are Thursday 17 December and Friday 18 December. In order to better facilitate our professional learning and use these days to inform our teaching practice this year staff will instead participate in professional learning for an extended time on two evenings - one in Term 2 and another in Term 3. We held our first meeting on Monday of this week. Staff were introduced to the new History syllabus, they shared ideas for our developing Science curriculum and explored further the Writing and Responding strand of the English syllabus. As a result the school will not be open on Friday 18th December.

Calling all Green Thumbs
In order to support our recent push with safety in the Mini Forest we have planned a working bee that involves our students working to regenerate their playground. The last Friday of term - Friday 26/6 students in Stage 3 would love your help (and your rakes and shovels) to assist them in revitalising this important part of our playground. Students will be working from 11:30 to clean out the rubbish, remove all excess sticks, reset the rocks, replace the woodchip and hopefully replant some natives in our depleted mini forest. If you are able to assist on the day we’d love your help.

Gold Medal Assembly
This will be held on Wednesday 24 June at 11:30am. Mr Lord will be our special guest presenting banners and medals to students. All awards for this assembly have been received at the office. If you have any awards requiring trading please keep them for the Gold Medal assembly in Term 4.

Staff Leave
Mrs Mclachlan will be on leave from Thursday of this week until the end of this term. Miss Elise Hollier will teach 2M in her absence.

Gymtastics
The students are loving their participation in the Gymnastics program this term. They have access to trained staff and exciting equipment. On Thursday 18 June parents are welcome to come to their child’s session and observe their participation. Please see the timetable below for session times.

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department’s website at [http://education.gov.au/notices](http://education.gov.au/notices)
