Relieving Principal’s Message

Welcome back! The weather is chilly and winter is definitely with us. Our calendar for this term (see attached) is quite busy so we trust you are all well rested and ready to start this action packed term of learning.

In the coming week I will be sending home a survey for all families and I would ask your assistance in completing this. As a school we are constantly working to improve the methods of communication we use and we aim to reach as many families as possible through electronic mediums. These include Facebook, our school website, the Skoolbag app and the weekly newsletter email. Whilst we provide this information electronically we need your feedback and guidance on how useful this is and what other content, if any, you would like access to.

At the end of Term 2 we had many opportunities to celebrate success and student achievement. I spoke to the group of students at the Goal Guru morning tea about not being content with accepting they’d achieved their goal and therefore thinking that their work for the year was done. I encouraged them instead to refine their goals and think bigger thoughts for the second half of the year. I know some students may not have been as pleased with their half yearly reports as they could be. So this is the time to make the choice to turn that around.

Students have been working in class this week to set new learning goals for the second half of the year. I would encourage parents to have a discussion with your children about their goals. There is still so much learning that can and will occur this year.

“Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending.” Carl Bard

Enjoy your week.

Reading Workshop

Ms Mace and Mrs Huntrods will be running a workshop for parents interested in working with their children on improving their reading skills at home. This will be held on Thursday 23 July at 9:15am in the band room.
Mini Forest Working Bee
A massive thank you to the students of 4/5F, 5J, 5/6T and 6G who worked their green thumbs to the bone on the last day of term 2. Planting, weeding, shovelling, carrying, watering, digging and working alongside the teachers and some devoted parent helpers to clean up and reenergise our mini forest. Thank you to Wollondilly Shire Council for the donation of native plants and CPE Tress services for the load of mulch. I couldn’t believe the size of the mulch pile when I arrived before school and to see it completely moved by the end of the day was amazing! Well done.

Aboriginal Parent / Carer Meeting
Ms Budd, Miss Wilder and I would like to invite all Aboriginal parents / carers to a meeting to discuss our schools Aboriginal programs for Semester 2. We will provide an overview of the program so far and would love the chance to seek parent input and guidance for the direction of this program for Semester 2. Please meet in the band room on Thursday 23 July at 2pm.

Canteen News
Please note: Lunch orders must be written on a paper lunch bag and handed to the Canteen before school each Canteen day. Unfortunately, we have had a number of students spending their lunch money on treats at recess instead of ordering a proper lunch and then having nothing to eat at lunchtime.

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students’ personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department’s website at [http://education.gov.au/notices](http://education.gov.au/notices).
