Relieving Principal’s Message

A note came home to every child at the beginning of this week regarding sibling tickets for Extravaganza. Whilst we must be mindful of numbers and audience comfort in the hall we are also conscious of our goal of engaging the community and having as many people attend school events as possible. We love having parents in our school! As a result we have developed a sibling ticket. Once parents have purchased their online tickets they are able to come into the school office and register for a sibling ticket. This will allow a non-school aged child to sit on the lap of a ticketed adult. Siblings must not sit on the floor or in the aisles as this will interfere with Work Health and Safety guidelines and some items. There will only be a limited number of sibling tickets per performance and once the limit has been reached no other siblings will be able to enter the hall. Prams will be kept outside the hall in a designated pram parking bay. Please contact the school office if you require further clarification of this.

Books have definitely lit up the Thirlmere world this week. Miss Gutjahr has had us reading, drinking hot chocolate, reading, dressing up and reading some more. The Library has definitely been a buzz this week as we celebrated our love of literature and Australian authors. Miss Gutjahr has an undeniable passion for books and the enthusiastic manner in which she shares this with us encourages us all to get involved. Great job by the Library monitors as well this week.

It was so easy to find a quote this week by my favourite author. In fact the difficult part was restricting my choice. So instead I have chosen two:

One for the little people at our school:
“You can find magic wherever you look. Sit back and relax, all you need is a book”.

One for the grown ups at our school:
“You’re never too old, too wacky, too wild, to pick up a book and read to a child”.

Long live Dr Seuss!!!

Enjoy your week.

Orienteering
On 15th and 16th August Elliot and Kurtis attended two state level orienteering events. On Saturday the NSW School Sprint Championships were held on the UWS Richmond and UWS Hawkesbury campuses. The results were decided by combining the times of the two sprint events, one on each campus, in an urban environment. After the two times were considered Kurtis placed 1st in the Men's 12 yr A division.
On Sunday the boys travelled up the mountains to Glenbrook for the Schools Championship. This was a traditional bush orienteering course. At this event Elliot placed 6th and Kurtis placed 4th.

Hats
Teachers are increasingly having to speak to students about wearing hats. The simple answer appears to be “it’s in my bag” or “I’m playing in playground A so I don’t need it”. EVERY child at school needs to wear a hat at both recess and lunch. As the weather begins to warm up the old “No Hat No Play” rule may begin to come into action. Please support the school by ensuring your children come to school with a school hat.

Wollondilly Performing Arts Festival
Our students performed last Thursday night as part of the Wollondilly Performing Arts Festival. The established band, junior choir, junior dance and senior choir along with Mr Jackson, Mrs Huntrods, Mrs Tann and Mrs Pearce were outstanding ambassadors for our school. I was extremely proud to be able to say I was from Thirlmere Public School! The rest of the school community will have the opportunity to see their items at our school Extravaganza next week.

Technology Survey
These were due last week. If you have not completed it please do so by this Friday. Don’t miss the opportunity to have your say about what you’d like to see.

Berry Camp
The final date for placing a deposit and securing your child’s spot at camp is Wednesday, 26th August. This was stated clearly in the note sent home and in school newsletters. This is the absolute final cut-off and we will not be accepting notes and money for any more students after this date. Berry Sport and Recreational Centre requires schools to submit their numbers of attendance early to accommodate other schools.

COMMONWEALTH BANK
STUDENT SCHOOL BANKING
Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch. Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the rewards. Parents/guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.

Gala B Day – Soccer, Netball, AFL
If payment has not been made, please arrange payment to the office as soon as possible.

Payments – Reminder
Parents please remember, you are able to relieve the stress on your budget by making payments in advance for any upcoming event, such as excursions or camps, instead of having to make a large lump sum payment. Payments can be small regular amounts or any amount when you happen to have a little extra money. If you think this might be helpful to you, the Admin Staff would be very happy to assist.

Thank you

Extravaganza - Sibling Tickets

Dear Parents,

In our latest newsletter tickets for our Extravaganza were promoted as two per family. It also stated toddlers were not able to sit on laps during the performance. We are extremely conscious of numbers in the hall and wanting the audience to enjoy the show in a comfortable environment that is not overcrowded. However, we are also aware this restriction may impede parents from being able to attend the show.

In order to support our families and their attendance at this event we have devised a plan to accommodate a limited number of siblings at both performances.

Families that wish to bring a non-school aged sibling (newborn – 4 years) to the show will need to come into the school office to obtain a “sibling ticket” (free). This child will have to sit on the lap of a person in a ticketed seat. No young children will be able to sit on the floor at the front of the stage or down the main aisle. This interferes dramatically with Work Health and Safety guidelines and with items that will use this floor space as part of their performance.

Each performance will have a limited number of sibling tickets that can be obtained. Unfortunately when we have exhausted the allocation of sibling tickets for each performance we will not be able to permit any further entry. Tickets will be issued on a first come basis.

Prams will not be able to enter the school hall at all as there is definitely no space for this. There will be a designated pram bay on the outside of the hall for prams to stay during the performance.

Please contact me at school if you wish to discuss this further.
