Relieving Principal’s Message

I had the pleasure of accompanying our school band, Mrs Thompson and Mr Jackson on Monday to Dalmeny Public School and Green Valley Public School for their annual band tour. It was an amazing day. The musical talent we have here is something to be proud of. Our band played a selection of music and it was wonderful to see the smiles on the faces of the audience members. Additionally, Mr Jackson hosted a show and tell of the different instruments and band members worked with students in the audience to get them involved and making sounds with the instruments. This was one of the highlights.

As we finish this last week of term we again have the opportunity to reward those students who have maintained their positive behaviour level across the course of Term 3. This Friday we will be hosting a games reward session for those students. (see additional details within this newsletter). To all of those students I’d like to send a big congratulations! Your positive behaviour choices, on a consistent basis are what allow you to take part in this reward experience. For those students not able to participate I would encourage you to talk with your parents and teachers about this and to look at better choices you may be able to make.

I hope every family enjoys the holidays and takes advantage of this beautiful weather we are currently experiencing. Term 4 is traditionally a very big term and this year looks to be no different for our Thirlmere community. So, take time this holidays to play!

Outstanding Student Achievement
In the past few weeks we have had a number of students represent our school in competitions or carnivals. In particular I’d like to congratulate:

- Jessica 3K – won the Stage 2 Regional Spelling Bee and will progress to State
- Annise 4B – won the Stage 2 Oracy Competition and will progress to the Regional competition
- Luke 5J – will progress to State Athletics carnival for running
- Emily 3K – won Reserve Champion rider for her class at the Inter schools Equestrian at Camden on Saturday

It is wonderful to see so many students achieving fantastic results across a range of experiences.

Walkathon – Ruby Day
The date is set, the agenda is filling up and Ruby Day planning is well underway. Friday 23rd October will be “Ruby Day’. It will be the day to paint the school red. The key feature of the day will be an afternoon Walkathon. Sponsorship forms for this will come home before the end of the week to allow students to collect as many sponsors over the holidays as possible. Other activities will include Lego workshops - students can book in for, BBQ lunch, Ruby themed art and craft and judging the weirdest and wackiest red themed outfits. Please see the letter later in this newsletter if you have a business, know someone with a business or you would just like to support Ruby and her family. We are more than happy to collect all donations.

Earn and Learn
The distribution of these stickers through Woolworths has finished. Could we please have ALL stickers to school by Thursday 17 September.

Principal’s awards
Olivia, Benji, Kyal, Rosalie, Bryannon, Jamie, Cooper, Charlie, Henry, Isaac, Lucia, Thomas

Reward Day
Friday (last day of term) is reward day for all those children that have maintained or progressed in their behaviour level this term. We are holding a ‘bring a board game or technology device’ hour at school for those children between the hours of 10 and 11. Games and devices should be labelled and are the sole responsibility of the children. They will be kept in classrooms before and after the reward hour for safety. Children will not be able to access the internet from their device. Those children who can not participate in this reward day (as they have not maintained their behaviour level) will be completing work in another classroom.

Kindergarten 2016
Interview bookings are open. Please follow the instructions you received in your letter to book an interview time for your child. If you did not receive a letter please contact the office.

Science Fair
Congratulations to the students in Stage 3 who have demonstrated their talents at today’s Science Fair. The following students have been selected to represent our school at the Picton High School Science Fair next term:
Kurtis, Piper, Monique, Ella, Rose, Chloe, Nathan. Heidi, Maklin, Jeremy, Madeline.

Joggers Club
Congratulations to all of those students that have kept up the pace and attended Joggers Club in term 3. Joggers Club will restart again Week Two in Term 4.
## Uniform Shop
The Uniform Shop will be closed for trading this Thursday 17th September. The shop will re-open next term on Tuesday 6th October 8.30-9am.
Due to the increase in prices from our suppliers, we have had to increase our prices accordingly. While the P&C tries very hard to keep our prices to a minimum, to make the school uniform more accessible to everybody, minimal price rises are needed to cover our costs.
The school sport shirts are now back in stock in all sizes and will be available to purchase from next term. As we have changed the fabric of the shirt, to hopefully one that is much harder wearing, this is one of the products that will see a price increase.
More stock of the girls summer dresses have been ordered and are due for delivery early in Term 4. I will put a note in the school newsletter to announce when they have arrived.
As we are heading towards the end of the year, it’s time to start thinking about what stock you may need for the coming school year. It’s a very busy time for the Uniform Shop and stock does get very low at times. To be sure you do not miss out on any items that you may require, please fill out an order form and drop it back in to me at the shop or leave it at the front office for my collection. Any orders placed can be collected before the end of this school year or at the start of the next school year.
Any concerns or questions, please do not hesitate to ask me.
The Uniform Shop is open Tuesdays and Thursdays 8.30am-9am and 2.30pm-3pm.

Student Banking

A big THANK YOU to Mrs Willett for her involvement with the Youth Banking Program throughout 2014 and 2015. Sadly, Mrs Willett will no longer be involved in the Youth Banking Program and we wish her the best of luck with her move.

We take this opportunity to welcome Mrs Lee as our new Youth Banking Representative who will be replacing Mrs Willett and working with Mrs Dunleavy each week as our volunteer Youth Banking Representatives.

Please continue to bring your Youth Banking wallets into the office on the Tuesday of every week so that deposits can be entered and processed accordingly.

Ruby Day

The staff, students and parents of Thirlmere Public School will be rallying together to hold a special event, 'Ruby Day', on Friday the 23rd of October, 2015, where we will be painting the school red. This is to raise money in support of the family of Ruby Smith, a student at our school who is suffering from cancer.

Like most families dealing with cancer it takes a huge emotional and financial toll. Ruby is battling cancer for a second time in her short life. The Smith family have had ongoing medical and travel costs and it would be fantastic if we could ease this burden.

We are appealing to local businesses and the general community for their generosity in helping us make this day a huge success. In our appreciation, recognition of your generosity will be publicised through school and community media. If you wish to remain anonymous we will respect your wishes.

Suggestions for ways in which your business could support Ruby include:

- Cheque donations made out to (Thirlmere P.S P & C) or
  (Kelly-Ann Brickley Smith and Heath Warwick Smith)
- Donations of products/goods
- Donations of gift vouchers directly to the family
- Other donations/support you would like to offer

SCHOOL FINANCE & OFFICE NEWS

Payments and Excursions
All excursions and sporting events have a last day to pay date. Parents are asked to have payments to the office before this date, as our system will not allow payments to be processed after the date. This will avoid any disappointment for your child.

Year 5 Woolelemai Camp
The Last Day to Pay is
Thursday, 22 October 2015
Please advise the school if your child is attending this camp before Friday, 18th September 2015

Year 4 Berry Camp
Last Day for Full Payment is
Friday, 23rd October 2015.

Jamberoo
The Last Day to Pay is
Friday, 6th November 2015

Payments – Reminder
Parents please remember, you are able to relieve the stress on your budget by making payments in advance for any upcoming event, such as excursions or camps, instead of having to make a large lump sum payment. Payments can be small regular amounts or any amount when you happen to have a little extra money. If you think this might be helpful to you, the Admin Staff would be very happy to assist.

Absente Note
All notes for absences must be in before this Friday, 18 September 2015, due to Department of Education transferring all student information on to a new system during the holidays.

Band News
Term 3 Band Fees are now overdue, please pay as soon as possible, as the Band Tutor must be paid.

Account Statements
Statements for fees owed were sent home this week. Please note that no Eftpos payments will be taken on Friday, 18th September, the last day of term due to the finalising of banking procedures.

Commonwealth Bank School Banking Update – Please Read
Following the decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, a decision has been made to also withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program.

To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of frisbee with the new Galaxy Glider!

Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item.

Don’t forget the Outer Space Savers Money Box is also available in Term 4.
Every year at Thirlmere Public School the Year 6 students organise, run and coordinate the MINI FAIR. It’s a great event that is lots of fun and one that the whole school enjoys.

As part of the mini fair some of the students will be running a trash and treasure stall. If you have any trash and treasure items that you are able to donate to the stall, there is a box at the office where we are now collecting any donations.

Other stalls the students are coordinating include a beauty/makeup stall – therefore any nail polishes, coloured hair sprays or fake tattoos would also be greatly appreciated.

Finally any novelty pens, pencils, erasers or novelty stationary items would also be gratefully received.

We are very grateful for all of the donations we receive and we look forward to seeing all the students participating in this fantastic event.

More information to follow. Keep your eyes peeled.
